## LEAD WITH LOCAL NEWS On Your Business TV

### Community TV Display (CTD)

- ➔ **Valuable content on your TV...** lots of other companies do TVs and ads, but we are the only ones who can share local news directly from [LocalNews1.org](http://LocalNews1.org). (See short sample playlist at right.)
- ➔ **As a CTD Client...** your customers get current, local news and weather, local advertisements, and you “promote” your business with your client-specific content (e.g., products, specials, menus, sponsored activities, etc.). Cost is just \$20/month for the first screen (\$8 for each additional screen), plus one-time setup and installation.
- ➔ **As a CTD Advertiser...** your ad will be included on other CTDs in the community. For a small, additional fee, your ad will also be included on [LocalNews1.org](http://LocalNews1.org).
- ➔ **As a LocalNews1.org Advertiser...** we get 6,400 unique visits and 12,400 views of our site each month (and growing). For a small additional fee, your ad will also be included on CTDs in the community.

Contact us today to discuss your specific business needs.
